Dear Corrina

THE TWEMLOWS STUD BOLESWORTH SCHOLARSHIP 2011

We were delighted Lefaine won our embryo transfer (ET) scholarship at Bolesworth this year and we look forward to her arrival at Twemlows Stud in the future. I enclose details about the scholarship and also a description of what ET entails. I appreciate you personally do not need the latter but you might like to pass it on to others involved for whom ET is something new.

Please let us know in plenty of time when you plan to bring her and we will work out a timetable to suit her competition schedule. If you wish to bring her before the end of September that is fine or you may wish to leave her until early next year; we shall start our season in February.

We take both pleasure and pride in giving these scholarships and it gives us an interest in the mare and her progeny for years to come.

Kind regards.

Yours sincerely
